

I KNOW ANIMALS HAVE FEELINGS BECAUSE I WATCHED MY DOG VERY CAREFULLY FOR ONE WEEK SO I COULD SEE WHAT KIND OF FEELINGS THEY HAD. THEY HAVE MANY FEELINGS, THE FIRST FEELING I SAW WAS HAPPINESS, THEY LOVE TO HAVE THEIR NAMES CALLED OUT, THEY ALSO LOVE TO GET A TREAT AND FOR YOU TO PLAY WITH THEM.

THE SECOND FEELING I SAW WAS LOVE. MY DOG LOVES TO LICK ME. THEY LOVE TO CUDDLE WITH YOU, AND ALSO LOVE TO SLEEP WITH YOU.

THE THIRD FEELING I SAW WAS RELAXING. THEY LIKE TO LIE DOWN IN THE MORNING. THEY ALSO LIKE TO LAY ON A PILLOW AND WITH PEOPLE. THEY LIKE TO BE WARM. ALSO THEY LIKE TO LIE DOWN UNDER THE COVERS.

THE FOURTH THING IS PAIN. THEY HAVE PAIN WHEN YOU COMB THE KNOTS IN THEIR HAIR. THEY FEEL PAIN WHEN YOU ACCIDENTLY STEP ON THEIR FOOT. I CAN HEAR THE PAIN WHEN THE DOG YELPS WHICH LIKE A CRY.

THE FIFTH FEELING I SAW WAS A NEED FOR ATTENTION FROM THEIR OWNER AND FROM YOUR FRIENDS AND FAMILY.

THE SIXTH THING I SAW WAS AN UNCOMFORTABLE FEELING. DOGS HATE TO BE COLD AND WET, THEY TRY TO DRY OFF BY THEMSELVES. NOW I TOLD YOU REASONS DOG HAVE FEELINGS. THIS IS A FUN ESSAY TO DO. I HAD A GOOD TIME WATCHING MY DOG AND LOOKING FOR FEELINGS THAT THEY HAVE. I LIKE WRITING ABOUT DOG'S FEELINGS.
