

Good Stewardship of Federal Funds

Federal funds from the U.S. Department of Housing and Urban Development help eligible persons reside in safe, decent and affordable rental housing. It is a federal offense to collect or retain rental assistance funds to which you are not entitled. Good stewardship of scarce Federal housing dollars is everyone's responsibility. If you are aware of inappropriate activity related to housing programs or housing funds please contact the Arlington Housing Authority's Compliance Officer, James Weddle at James.Weddle@arlingtonhousing.us or 817-276-6734. Your communication will be treated confidentially - Arlington Housing Authority
