Fair Housing Activities

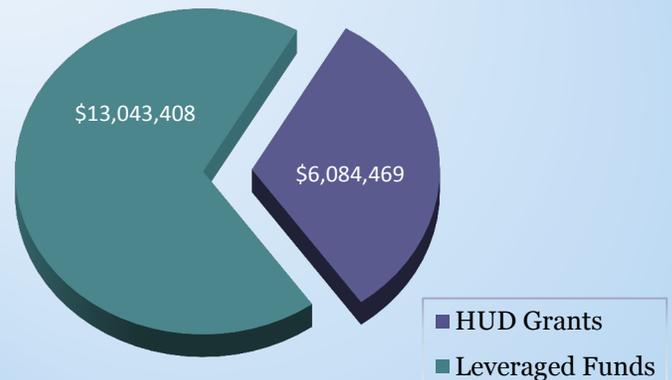

The City of Arlington affirmatively furthered fair housing through the following actions:

- Contracted with Independent Consultant to update the Analysis of Impediments to Fair Housing
- Information and referrals by the Fair Housing Officer
- Updating and distribution of brochures and other Fair Housing materials
- Credit education, foreclosure prevention and financial literacy programs for low-income persons
- Grant funds for affordable housing including construction of new owner-occupied housing units
- Grant funds for homebuyer assistance and education programs
- Support for housing rehabilitation and other housing repair programs
- Improved transportation options such as the Ride2Work program
- Coordination with a variety of non-profits and financial institutions through the Financial Stability Partnership to reduce poverty

Affordable Housing Highlights

- 62 low- to moderate-income households received forgivable housing rehabilitation loans
- 27 families were able to purchase their first home through the Arlington Homebuyers' Assistance Program (AHAP)
- Two new housing units were constructed and sold to eligible first-time homebuyers
- 79 low-income households avoided homelessness through Temporary Rental Assistance

Leveraged Funds*

*Leveraged funds are funds spent in conjunction with grant funds by non-profit organizations, foundations, businesses, and City departments. The degree of leveraging indicates community investment of limited resources and maximizes the impact of limited grant dollars.
