## Bright Space Renovation at the Salvation Army Youth Education Town

In April 2016, the Bright Space at the Salvation Army got a makeover with the assistance of Fielder Church Volunteer. The Bright Space is designed for young children living in a homeless shelter to have a safe place to play, learn and grow.

## Emergency Shelter Makeover at the Center for Transforming Lives

The Center for Transforming Lives is dedicated to the lives of women and children and assisting them in transitioning from poverty to independence through housing, affordable high quality child care and financial empowerment.

Recently, the emergency shelter received a makeover from a resale shop associate and volunteer, Jessica, that will provide a peaceful and beautiful space for young girls.
