

Department of Public Works and Transportation

TRAFFIC CONTROL PLAN CHECKLIST

A Traffic Control Plan shall be submitted to the Department of Public Works and Transportation and approved prior to any construction in the City right-of-way within the City of Arlington. Work in the State right-of-way must be submitted to TxDOT for approval. For more information about the State right-of-way, call (817) 370-6526.

The Traffic Control Plan shall contain, at the minimum, the following information.

1. Legal description of the project, site name, contractor's name: _____

2. Type of construction: _____

3. Location map with nearest major intersection(s), also including:

- Work area defined
- North arrow
- Streets identified by name, number of lanes, median or left turn center lane, sidewalks, ditches and bridges, as appropriate
- Indicate location of Flagman, if required

4. Name and 24-hour phone number of Contractor's contact person: _____

5. Notice to comply with the City of Arlington Work Area Traffic Control Manual.

6. Drawings (2 copies) on one of the following standard sheet sizes:
8 1/2" x 11" 8 1/2" x 14" 11" x 17" 22" x 34" 24" x 36"

7. Drawings to be straight edged with legible printing.

8. Use standard designations per TMUTCD.

9. Note of \$500/day fine for failure to comply.

10. Start/End date of construction: _____

FAXED COPIES WILL NOT BE ACCEPTED.
