Please check only one:

- New Construction ^a
- New Construction – Shell ^a
- Addition
- Early Grading (Only complete P. 1 of this application)
- Remodel/Alteration/Repair ^{a, b}
- Interior Finish ^b
- Move ^a
- Demolition
- Wireless Facilities ^{a, b}

(a) If you are applying for **New Construction, New Construction-Shell, Addition** or **Early Grading** then you must first have an approved **Commercial site Plan**. (b) Application review by a planner is required.

All permits, except demolition permits, require a separate application for each building.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local ordinances regulating construction, the performance of construction or the use of any land or buildings.

Before a permit may be issued, electronic documents of accepted construction plans must be provided. The city is able to scan your documents for a fee; or, you may provide those electronic documents in the specified format. If you supply the electronic documents, they must be verified as accurate before a permit may be issued. Please check one:

- I authorize City staff to scan and charge applicable scanning fees
 I will provide the electronic documents in TIFF 300 dpi format

Signature of Permit Applicant _____ Date: _____

If applicant is contractor, list name of company: _____

STAFF USE ONLY

Plans Examiner: _____ Date: _____ Number of Sheets: _____
 Planner: _____ Date: _____ Is this a change in use per the UDC? Yes No

1. NEW CONSTRUCTION & NEW CONSTRUCTION - SHELL BUILDINGS PERMITS ONLY

- Total building square footage (all floors/levels): _____square feet
- Total Site Area: _____square feet
- Construction Valuation-Declared: \$ _____
- TDLR Registration Number: _____ (Required if declared construction value is \$50,000 or greater)
- **Building Permit Fee Valuation \$ _____ (FOR OFFICE USE ONLY)**
- Total Pavement Area: _____square feet
- Will this space be used as a medical office? Yes No
- Will this facility be providing supervision for thirteen (13) or more unrelated children under the age of fourteen (14) for periods of time less than 24 hours? Yes No
- Will food or beverages be manufactured, packaged, stored, distributed, sold, or prepared, excluding vending machines? Yes No
- Will a septic tank, grease trap or sand trap be used on the premises? Yes No
- Will any manufacturing take place on the Premises? Yes No
- Will any liquid wastes or sludge be generated which are not disposed of in the sewer system? Yes No
- Will any form of waste water pre-treatment be utilized at location? Yes No
- Energy Code Compliance (Check only one. Must attach compliance forms):
 ASHRAE 90.1; IECC; COMcheck w/ASHRAE; COMcheck w/IECC; Other
- Number of stories: _____
- Will the plan review be performed by a Third Party Organization? Yes No
- Will the inspections be performed by a Third Party Organization? Yes No
- Name of the Third Party Organization (Check only one):
 Bureau Veritas Metro Code Analysis North Texas Inspection Services Other
- Will/does this location have Gas Service? Yes No
- If a multi-family or hotel/motel use, how many dwelling or sleeping units will be constructed? _____

5. **MOVE PERMITS**, provide the following information:

- Number of days moved buildings to be on city streets: ___ days
- Number of structures to be moved: _____
- Area of 1st building to be moved: _____ square feet
- Area of 2nd building to be moved: _____ square feet
- Area of 3rd building to be moved: _____ square feet
- Type of Move (*select only one*): Into the City Out of the City Within the City Through the City

6. **DEMOLITION PERMITS**, provide the following information:

- Total Building square footage (all floors/levels/all structures): _____
- Site area: _____ square feet
- Proof of Asbestos Survey: Yes No
- Number of structures to be demolished: _____
- Area of 1st building to be demolished: _____ square feet
- Area of 2nd building to be demolished: _____ square feet
- Area of 3rd building to be demolished: _____ square feet

7. NEW CONSTRUCTION AND REMODEL PERMITS FOR WIRELESS FACILITIES ONLY

A. GENERAL INFORMATION

- 1) Total site square footage: _____ square feet
- 2) Construction Valuation-Declaration: \$ _____
- 3) Building Permit Fee Valuation \$ _____
- 4) Is the site referenced in this permit application located in any public right-of-ways or easements?
 Yes No

If yes, describe in detail the legal authority that granted the Applicant the privilege to use the right-of-way for a wireless facility. _____

- 5) Is applicant the underlying owner of the property for the Project? Yes No

If not, please include the Property Owner's name, company or firm, title, address, email and telephone number.

If not, please attach a letter of agency appointing the applicant as agent to sign the Application on the Property Owner's behalf.

B. DESCRIPTION OF EXISTING TOWER OR BASE STATION

- 1) Is this an existing tower or base station? Yes No

- If yes please provide a description of the facility that is referenced in this permit application.

- If yes please provide a description of the current site, this would include the current boundaries of the leased or owned property that surrounds the tower or support structure along with any access or utility easements currently associated with the site. For towers or support structures located in a public right-of-way the site would be further restricted to the area that composes the base of the structure and to any other equipment already located on the site area.

- If yes please provide all related information and documentation to verify that the structure where the work is proposed in the permit application to be performed has received all of the proper land use approvals for the existing wireless facility. This information should include the date(s) of land use approval along with any applicable case or permit numbers related to the site.

- 2) Was the site approved with any requirements for concealment (stealth) or screening? Yes No

- If yes, please include that information along with a detailed description of how the proposed work will comply with the previously imposed conditions for the site. _____

C. COLLOCATION PROJECT UNDER 47 U.S.C. § 322 (C) (7)

1. Is this a collocation on an existing tower under Section 322 (c) (7)? Yes No
2. If yes, describe the reasons upon which applicant believes the Project is eligible for collocation under 47 U.S.C. § 322 (c) (7). _____

D. ELIGIBLE FACILITIES REQUEST FOR MODIFICATION UNDER 47 U.S.C. § 1455 (SECTION 6409 A)

1. Is this a Section 6409 (a) eligible facilities request for modification? Yes No
2. Is the Project an “eligible facility” as either a “tower” or a “base station” as defined in FCC Rules 47 C.F.R. §1.40001 (b) (5)? Tower Base Station
3. Explain in detail _____
4. Is this a collocation of any new transmission equipment? Yes No
5. Is this a removal of any existing transmission equipment? Yes No
6. Is this a replacement of any existing transmission equipment? Yes No

E. SUBSTANTIALLY CHANGE THE PHYSICAL DIMENSIONS.

1. Does the requested modification or collocation “substantially change the physical dimensions” of the existing tower or base station, as those terms are defined in FCC Rules, 47 C.F.R. § 1.40001(b)? Yes No
2. Provide the current height of the existing structure: _____
3. What is the proposed height of the structure after the collocation, addition, removal or replacement of any transmission equipment? _____
4. What is the distance that any facilities will protrude from the body of the structure after installation of any new, added or replaced components? _____
5. Will the proposed work require any excavation of location of equipment outside of the current site boundaries? Yes No
6. Will there be any change in the quantity, locations and dimensions of any equipment cabinets as part of the proposed Project? Yes No
7. Please provide the quantity, locations and dimensions of any equipment cabinets that are part of the proposed work associated with the permit application. _____
8. Please provide the quantity, locations and dimensions of any equipment cabinets that are currently located at this site. _____
9. Please provide the quantity, locations, dimensions, equipment types, model numbers and manufacturer specifications. _____
10. Please provide information regarding any nuisances that could be created with the installation of new equipment at the site (i.e. noise, illumination, etc.) _____

SUBMITTAL INFORMATION

SUBMITTAL INFO: All submittals MUST include the following information for permit processing:

1. Written authorization from the property owner (if the applicant is not the property owner).
2. A complete application, two complete sets of plans and specifications.
3. Detailed to scale drawings depicting the existing wireless facilities structure identifying all equipment as it is at the time of the application, as applicable, and as the Project will be after the requested modification, in both an overhead format, and in elevations from each side including any physical, wireline, interconnections to other locations, noting existing wireline connections and new ones. These documents MUST be to a standard and legible scale for review.
4. The documents shall contain notes indicating how specific requirements of the City ordinance will be attained.
5. Part of the submittal documents shall contain a narrative that explains in basic and fact-specific terms why the application is believed (1) to qualify as an eligible facility request and (2) will not result in a significant change. The narrative should also reference the applicable standards for each item and discuss the facts that would allow the City to find compliance that the application qualifies for approval under the adopted City ordinance.
