RE: POOL/SPA INVOICE AND INFORMATION

Dear Pool/Spa Owner or Operator:

This letter is to provide you information regarding the 2017 annual billing of your pool/spa or public interactive water feature (PIWF). Also, enclosed is your invoice for each pool/spa or PIWF in the amount of \$200.00 for an Annual Permit or \$350.00 for a Year Round Permit. Please submit your payment upon receipt. A reinstatement fee of \$75.00 will be added to the amount due, if payment is not received prior to June 1st.

Please note that all public pools/spas or PIWF must be annually inspected, permitted and comply with all provisions of the City of Arlington Health Chapter. Your pool must pass an annual pool/spa or PIWF inspection **before** it can open for the season. Inspections can be arranged by calling 817-459-6777. Please do not call until your pool/spa or PIWF has received its annual electrical inspection and has met all current standards.

Please be advised that your pool/spa or PIWF must be maintained by a person who has completed approved training. Persons who maintain PIWF's must be a Certified Pool Operator and register that training with the City of Arlington. The cost for registration is \$20.00 per applicant. Registration may be completed by mail. The application for the swimming pool permits and Certified Pool Operator is available for download at:

Your annual 2017 billing includes the following permit and inspection fees which became effective October 1, 2010:

- Fee for the Annual Permit is \$200.00; this pool/spa or PIWF receives an annual inspection and there is not a lesser fee for payment of invoices prior to May 1st.
- Fee for the Year Round Permit is \$350.00; this pool/spa or PIWF receives at least 2 inspections per year.
- Fee for Re-inspection is \$150.00; this is assessed for each follow-up inspection after your first re-inspection on the annual inspection.

Thank you,
