

# HEALTHCARE STARTS WITH COMPASS.

# YOUR LIFE JUST GOT SIMPLER.

Navigating healthcare these days seems impossible—unless you have Compass on your side. From finding doctors to getting cost estimates to solving billing problems, we're here to help. Your employer has partnered with us to serve as your personal healthcare advisor. So rely on your Compass Health Pro™ consultant to make you an empowered healthcare consumer who takes control of healthcare costs. Our service is simple to use and available to you and your family.

## How Compass takes care of you:

### UNDERSTAND INSURANCE BENEFITS

Receive guidance in understanding your benefits throughout the year.

### FIND A GREAT DOCTOR

Find the best doctors, dentists and eye care professionals in your area who meet your personal preferences and healthcare needs.

### SAVE MONEY ON MEDICAL CARE

Get price comparisons before receiving care. Depending on the doctor, hospital or facility, costs can vary by hundreds or thousands of dollars—even in-network.

### PAY LESS FOR PRESCRIPTIONS

Let Compass compare medication prices and explore lower-cost options for you.

### GET HELP WITH MEDICAL BILLS

Have your medical bills reviewed to make sure you are not overcharged.

# Congratulations.

## COMPASS

Compass is your champion for simpler, smarter healthcare. It's what we mean when we say, "Healthcare Redefined."

These days, it's almost impossible to make sense of medical treatment options and costs. One hospital might charge \$1,500 for an MRI, while another charges \$500—in the same city. Challenges and inconsistencies exist throughout the system. That's why people turn to us.
