

Tarrant County VITA Needs Your Help, Volunteer with Us

Tarrant County VITA has five VITA free tax centers located in the Arlington. Each tax season, the free tax site locations, opens its doors to help low to moderate income individuals and families complete their tax returns for free. Not only is free tax preparation available, individuals and families can also receive information on improving job skills, ESL and GED classes, Community Action Programs like utility assistance and Cowboy Santas, and financial coaching.
