

CITY OF ARLINGTON

PREQUALIFICATION STATEMENT FOR PUBLIC IMPROVEMENTS (PAVING, DRAINAGE OR WATER & SANITARY SEWER)

Contractor: _____

Date: _____

Please state the type of project you want to do for the City of Arlington:

- Subdivision (paving, drainage or water & sanitary sewer for development projects)
- Capital Paving and/or Drainage
- Capital Water and Sanitary Sewer

Project name, if applicable: _____

INSTRUCTIONS

All information on the PREQUALIFICATION STATEMENT FOR PUBLIC IMPROVEMENTS and the PREQUALIFICATION STATEMENT OF CONTRACTOR'S SURETY **must be complete and the forms submitted together to:**

DEPARTMENT OF PUBLIC WORKS AND TRANSPORTATION, MS 01-0220

101 W. Abram Street
Arlington, Texas 76010
Phone: 817-459-6550
Fax: 817-459-6585

Completed prequalification application will take approximately three weeks to process. If a project is a joint venture, both contractors must complete separate prequalification forms.

If you wish to bid on a City of Arlington capital improvement project (paving, drainage, or water and sanitary sewer), a completed prequalification statement must be submitted at least three weeks prior to bid opening. There is no guarantee that a contractor will be prequalified prior to bid opening.

If you wish to construct public street, drainage or water and sanitary sewer improvements associated with a private development, a completed prequalification statement must be submitted at least three weeks prior to submittal of Three-Party Contracts. Three-Party Contracts will not be approved until the contractor is prequalified.

This Prequalification Statement consists of three (3) parts. The first part pertains to type of project and work type the contractor wishes to be prequalified for. The second part (Sections A through E) pertains to Contractor's status information. The third part is the Prequalification Statement of Contractor's Surety, in which the Surety company will need to complete. Additional information/documentation from the Contractor or Surety Company may be required during the application review process.

The contractor is not automatically placed on the "Prequalified Bidders List" with submittal of forms. Written verification of prequalification will be forwarded to the contractor by the City. If the contractor has been prequalified by the City, the contractor will be allowed to perform that approved work type for any projects. The contractor will not be required to resubmit a new application with each project. However, if the contractor has been temporary prequalified, the contractor will be required to resubmit a new application prior to performing any future projects.
