

# Online Selling Safety

A message from the Arlington, Fort Worth and Grand Prairie Police Departments:

- 
1. Don't put too much personal info in an online ad
  2. Don't put your telephone number in ad
  3. Communicate via email
  4. Be wary of out of town buyers
  5. If anything feels off, stop contact
  6. Arrange meeting during day-light, at business location, and bring a friend
