

Winter Break Classes @ River Legacy Living Science Center

9 am - 4 pm • Dec. 29 • Dec. 30 • Dec. 31

River Legacy Living Science Center

703 NW Green Oaks Blvd. • Arlington • 76006

Students in K-6th grades can enjoy a series of nature & science classes during the Winter Break! Cost is \$50 per student per class.

Dec. 29: Winter's Art Box

Create a variety of nature-inspired winter art projects; go on a nature hike & enjoy an animal exploration!

Dec. 30: Science Sleuths

Sleuth out the clues to uncover the mysteries of slime & collect evidence to uncover what ingredients created the slime in our "Slime Scene!"

Dec. 31: Adventures in Herpetology

Learn about the diversity of reptiles & amphibians across the globe through animal explorations, nature hikes and games!
