Meet Dr. John Perkins

Dr. John Perkins is a world renowned author, speaker and teacher of issues on racial reconciliation, community empowerment and civil rights. He is described as “one of the leading evangelical voices to come out of the American civil rights movement.” In 2004, Dr. Perkins partnered with the Seattle Pacific University to launch the campus-based John Perkins Center for Reconciliation, Leadership Training, and Community Development.

There is no reconciliation until you recognize the dignity of the other, until you see their view- you have to enter into the pain of the people. You've got to feel their need.
