

Welcome!

Thanks for joining us to see and hear about the City's plans to transform Abram Street into a people-friendly and visually pleasing environment! The purpose of tonight's workshop is to present background information and design concept alternatives. Your comments and input will help the City make final recommendations for the corridor.

Tell Us What You Think...

On a scale of 1 to 5, with 5 being 'Very Important' and 1 being 'Not Important at All', please tell us how important each of the following is to you:

	Not Important			Very Important	
Making Abram Street a safe and inviting place for people to walk.	1	2	3	4	5
Making Abram Street a visually pleasing environment that establishes it as Arlington's 'Main Street.'	1	2	3	4	5
Providing unimpeded access to businesses along Abram Street.	1	2	3	4	5
Maintaining on-street parking along Abram Street.	1	2	3	4	5
