Installation of ramps along the north side of Cedarland Plaza Drive and Cedarland Boulevard, beginning at 1100 Red Cedar Lane to AT&T Way and to address trip hazards on the same segments of the sidewalks.	3/25/2015	3/25/2015	4/9/2015	<p>Ramps will be constructed on the north side of Cedarland Boulevard from 955 Cedarland Boulevard to the intersection of Cedarland Plaza Drive and along the north side of Cedarland Plaza Drive to the intersection of AT&T Way. Repairs will be made to the sidewalks on the north side of both these streets during ramp construction.</p> <p>Construction of the handicap ramps and sidewalk repairs has been put on a list of locations for a future project. At this time, we do not have a specific construction start date for this work.</p>
Citizen states the handicap ramp at the northwest corner of W. Randol Mill Rd. and N. Center St. is difficult to maneuver and that several sections of the sidewalk between the 100 and 400 blocks of W. Randol Mill Rd. are in need of repair.	4/21/2015	4/23/2015	5/18/2015	<p>A new ADA compliant corner ramp will be constructed at the requested location, as well as ADA compliant driveways and sidewalk along the north side of Randol Mill Road between the 100 and 400 blocks. This work will be incorporated into the list of locations for construction under the City's 2014 Miscellaneous Concrete Contract, which is currently under construction at various locations throughout the City. At this time, we do not have a specific construction start date for this additional location; however, we will coordinate with the contractor and schedule construction to begin as soon as possible.</p>
Installation of handicap ramp at the end of the walkway that leads from his front door to the street.	7/1/2015	7/7/2015	7/30/2015	<p>The requested ADA compliant curb ramp will be incorporated into the list of locations for construction under the 2016 Sidewalk Program. Locations for this program are currently being compiled and will include various areas throughout the City. The current funding schedule will allow us to bid the 2016 Sidewalk Program in early 2016. Once bid and the contract is awarded by City Council, we will coordinate with the contractor and schedule construction to begin as soon as possible.</p>
